

“Welcome to the East Stirlingshire FC child and wellbeing policy and structure, as we develop the club on and off the field we take our responsibilities seriously and we want you to be assured we have policies and processes in place to support you.

Part of my responsibilities as a director of the club is to stand over these and along with Grant McDowall our child and wellbeing officer.

Grant and myself have completed a full and thorough review and have the structure in place to ensure we have taken measures not just for today but to ensure we have the processes for the future as we do more within the community.”

**Fraser Cromar**

CEO  
East Stirlingshire Football Club

The Club's Child Wellbeing and Protection Officer is  
Grant McDowall
